cool facts

why was it invtd?

**it was inventd because
people needed wheel
to cary them around.**

**how old is the
wheel;.**

**the wheel
is non to
be 8,000
old.**

**DID YOU
NOW???**

**Did you
now that
the wheel
normaly
will stay
un
pumpted
for at least
a week but
it depens
on how
much you
drive your
car.**

wow think about it about
carts

**carts are
pulled by
big horses
at the
bottem of
the cartis
are to to
big old
wheels
that then
were made
from wood.**

THINK??

**BEFORE we
had cars
wheels
wheels
where made
fore carts
dont you
think that.
whald be
cool!!!**

I AM A
CART
AND
HORSE
